Hello:

Here are the updated SCAP Tables for FY2011 and FY2012 along with matching SCAP14A Reports. Also, I have included SCAP14A Reports for FY2013 and FY2014.

**Notes:**

**FY2011:**

Past Cost Addressed  $\geq$  \$200,000

Clute Texas Mercury (DD01) - Is still past due with a 2011/3 Planning Date still in Cerclis.

**FY2012**

NPL Deletions - Rockwool was moved from 2012/1 to 2013/1 and Crystal Chemical's NPL Deletion Action was removed from Cerclis. This leaves Mountain Pine as your only target for this category. However, we do have 2 additional sites that is pulling up as planned for 2012 and the sites are Palmer Barge (2012/2) and State Marine (2012/4). Please see if you can use those 2 sites as targets.
